Michael Ball,

This letter is to confirm that the PosLink v 1.0.2.38 integration has been certified with the Givex host through TCP/IP SSL communication using the DataConnect protocol for the following transactions,

- Forced Redemption
- Balance
- Activate
- Increment
- Cancel
- Points Issuance
- Points Redemption
- Reversal

Proper timeout and failover handling has been certified.

Regards,

Rowena Wong,  
Integration Analyst.  
Givex Corporation
