The key features delivered in this release are:

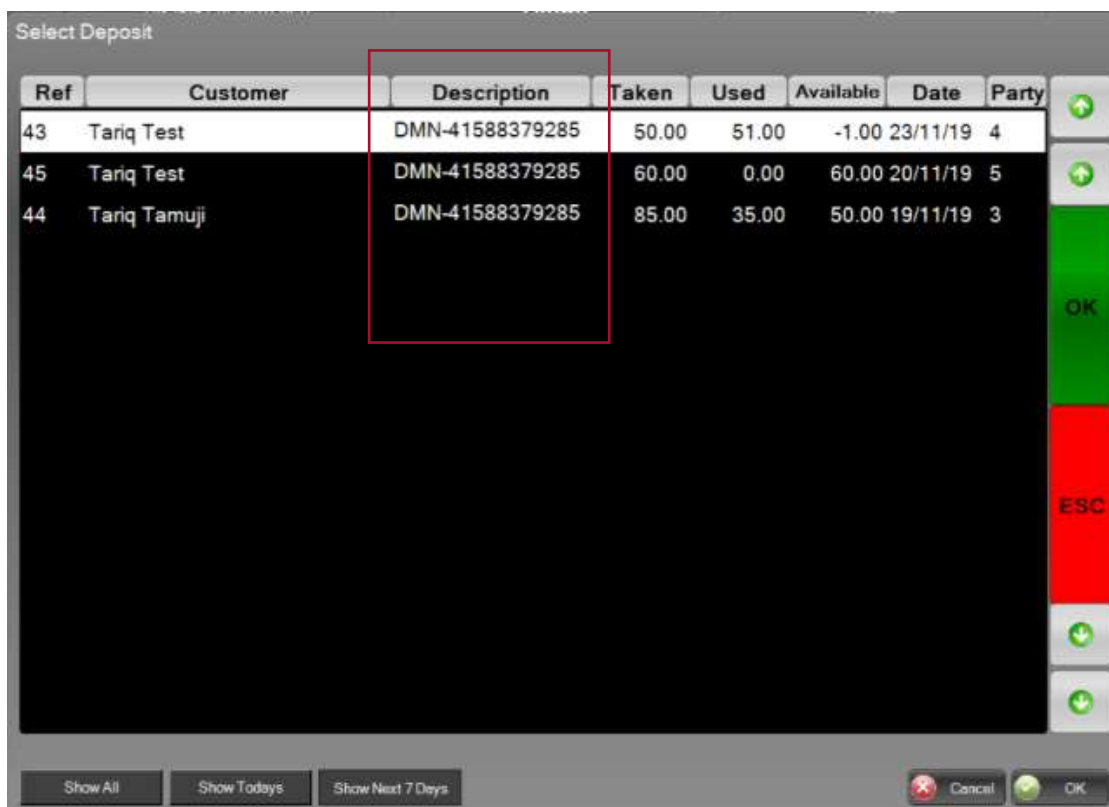

- 🔴 No Customer Generic Features – See internal release notes for full details
- 🔴 Bug Fixes

## Feature Details

### Fixes

#### Description Column Width Increased within the Select Deposit Popup [POSLINK-990]

The 'Description' column width as shown has been increased in size to prevent DesignMyNight reference number from being truncated.

Ref	Customer	Description	Taken	Used	Available	Date	Party
43	Tariq Test	DMN-41588379285	50.00	51.00	-1.00	23/11/19	4
45	Tariq Test	DMN-41588379285	60.00	0.00	60.00	20/11/19	5
44	Tariq Tamuji	DMN-41588379285	85.00	35.00	50.00	19/11/19	3

#### Interrogating an Inexistent Loyalty Card, Creates a New Loyalty Scheme [POSLINK-1001]

When a loyalty card was swiped on the PoS, if the number was within a card range set against the scheme and the scheme was set to auto add cards not found. Instead of the card being added, a new Loyalty Scheme was being created. This has been resolved.

## Further Questions?

If you would like any additional information regarding any of the changes that have been released, please contact a member of the Customer Success team who will be able to discuss any details with you.

Alternatively, you can raise a new case in the [Support Portal](#) and a member of our support team will deal with your request.
